

## Singulator™ Cell Protocol Submission

Please complete this form as thoroughly as possible. For submissions, questions and support, email [community@s2genomics.com](mailto:community@s2genomics.com).  
For more information on the Singulator systems, consumables and applications, email [inquiries@s2genomics.com](mailto:inquiries@s2genomics.com).

### General Information | Study Identification

Protocol Name:

Investigator Name:

Investigator Email:

Secondary Investigator(s):

Secondary Email(s):

Tissue Species:

Tissue Type:

Tissue State:

Mass (mg):

Pre-Singulator Processing | Run Summary:

### Singulator Cell Protocol Parameters

Enzyme Mix:

Custom Formulation:

Protocol Type:

Auto Mince:    Yes    No

Incubation Time:

Incubation Temperature:

Mixing Type:

Mixing Speed:

Disruption Type:

Disruption Speed:

### Post-Singulator Processing

Centrifuge Time & Speed:

Additional Cleanups/Notes:
